“ It is going to be a sad sight, looking over and not seeing him outside messing around or hearing him. It already is. It will never be the same. He already is and always will be missed. Jeffery was one of the nicest people you would ever meet. The family will be in my prayers, especially the gorgeous girls. I'm so very sorry for such a tragic loss. You all will be in my prayers and may God bless you all.

“ We never stop loving him. I remember the day he came over and asked for help with his parenting classes and I helped him pass by teaching him some pointers on his work that made him happy. He truly loved his girls and his family. Family was important to him, he loved to go fishing with Bird, And the races with Connie he was always smiling and going to be missed dearly.
