“ I am Richard Pryor’s wife, Janice, this is how Ms. Ann connected me to my sister Danita Isom her caregiver/ daughter. Ms. Ann and Danita had a divine, appointed call to a graceful relationship with one another. This blessed us to know our sister was in a loving home. My husband and I busted Ms. Ann and Danita one day in an atmosphere of sweet hospitality. Richard Pryor played music that day for her and she thoroughly enjoyed him stroking those organ keys. Ms. Ann in turned visited our home. Relaxed with her feet up in our power recliner, eating Carmel cake. Making jokes, talking about my husband who is very , very faired man of color, saying is you white or not, not out of ignorance or hatred but as one loving family member to another. Thank God for the life and love of Ms. Ann. - Evangelist Janice K. Pryor

“ To the family and friends of Mrs Ann you are in my thoughts and prayers. She was a very sweet and kind lady. She always treated our family as if she had been knowing us for years. I thank God for her and how she treated my sister Danita. She didn’t act as if Danita was her caregiver she treated her like she was family. For that, I will forever remember her as the sweetest Angel. She needed Danita and Danita needed her. Today I can not be at the service but I am praying for all the family as they lay her to rest. I will forever see her smiling face in my memories as I think of Mrs. Ann. Gone but will never be forgotten. Love from all of the Hays family today and always!

“ To the family of Mrs. Ann, my family and I send our condolences. I've spoken with Mrs. Ann over the phone several times. My sister and I stopped by her home once to pick up our sister, Danita. We were going to our sister's home in Harvest, Alabama. We hadn't planned on coming into Mrs. Ann 's home, but she insisted. She wanted to speak and with us. Mrs. Ann showed us so much hospitality. She welcomed us and wanted to hear about our families and she said I'm so happy to meet you both. We talked awhile and later Danita said Mrs. Ann we'd better be going, so that we won't get there so late. I could have talked to her all afternoon. She was so kind hearted. Her hospitality reminds me of our parents. They always welcomed visitors at their home. Our dad reminded us so many times when we were youngsters that if you treat people right; that most people will do right by you. Danita was sent by God to care for Mrs. Ann.

God showed out when he created Mrs. Ann. She had a great spirit and a kind heart. I will think of her every time that I make my jam cake. I was always afraid that it was too sweet for her, but Danita said no, she loves it. It was our mother's recipe. Mrs. Ann's reward for being so kind and letting Jesus be her guide will be in Heaven! May God bless you family. Mrs. Tanya Johnson,

“ Dear Sweet Tanya, your memories of my mom are so very dear to my heart. I tasted that yummy jam cake and it makes my mouth water just to think of it now! 🥰. Our family knows Danita's and Mom's paths crossing were divine Providence and we thank God for that. Danita's like a sister to me so that means we're all family! My mon liked it that way too!!!! God bless you dear one!

“ Carolyn Leonard and I started to visit Ann Keen as a homebound from Severns Valley Baptist Church a few years ago. It very quickly turned into a friendship. Ann was very sweet and very young at heart. We always planned to stay about one hour it always ended up two or more. We will miss Ann a lot. Lydia Schablik
